

## NEWS RELEASE

### OMNI-LITE INDUSTRIES ANNOUNCES MANAGEMENT CHANGE

TSXV: OML  
OTCQX: OLNCF

**October 7, 2019**

Omni-Lite Industries Canada Inc. (the "Company" or "Omni-Lite") announces today that David Robbins has been named President of the Company, in addition to his current role as Chief Executive Officer, effective immediately. David Robbins has served as CEO and Director of Omni-Lite since September 2018. Mr. Robbins will succeed Mr. Allen Maxin as President. Mr. Maxin had faithfully served Omni-Lite for two decades, and the Company sincerely wishes him well in his future endeavors.

Omni-Lite Industries Canada, Inc. is an innovative company that develops and manufactures mission critical, precision components utilized by Fortune 100 companies including Boeing, Airbus, Bombardier, Embraer, Ford, Raytheon, Lockheed Martin, Department of Defense and the U.S. Military.

*Reader Advisory*

*Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. In particular, forward-looking information in this press release includes, but is not limited to the expected future performance of the Company. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information. Forward-looking information is based on the opinions and estimates of management at the date the statements are made and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, governmental regulation, including environmental regulation; unanticipated operating events or performance; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital, skilled personnel and supplies; changes in tax laws; and the other risk factors disclosed under our profile on SEDAR at [www.sedar.com](http://www.sedar.com). Readers are cautioned that this list of risk factors should not be construed as exhaustive. The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.*

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
