OMNI-LITE INDUSTRIES ANNOUNCES NEW FIVE-YEAR AGREEMENT WITH MAJOR GLOBAL JET ENGINE MANUFACTURER

TSXV: OML
OTCQX: OLNCF

LOS ANGELES, CALIFORNIA, December 9, 2025 - Omni-Lite Industries Canada Inc. (the "Company" "Omni-Lite"; TSXV: OML) today is pleased to announce that its subsidiary, Designed Precision Castings (DP Cast), has signed a new five-year agreement with a major global jet engine original equipment manufacturer (OEM) to supply precision castings for use on multiple fixed and rotary wing aircraft engine platforms.

This agreement is an extension of several previous agreements with one of our long-standing customers. This new agreement reflects the value that DP Cast has demonstrated to its customer through operational excellence, quality, innovation, and most importantly, reliable supply of aerospace precision investment castings on schedule.

"This agreement underscores our relentless commitment to delivering quality investment castings on time to our customer in support of its major programs" said Stuart Faria, President of DP Cast.

About Omni-Lite Industries Canada Inc.

Omni-Lite Industries Canada Inc. is an innovative company that develops and manufactures mission critical, precision components utilized by Fortune 100 companies in the aerospace and defense industries.

Forward Looking Statements

Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intent", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking information in this press release includes, but is not limited to, the expectations and future performance of the Company and the timing, date and location of the Meeting. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information. Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to

differ materially from those expressed in the forward-looking information include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, governmental regulation, including environmental consents and approvals, if and when required; stock market volatility; competition for, among other things, capital, skilled personnel and supplies; changes in tax laws; and the other risk factors disclosed under our profile on SEDAR at www.sedar.com. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
